

April 12, 2021

Good afternoon Montcrest families,

It was announced by Premier Ford shortly after 3pm today that there will be a continuation of remote learning in all schools across Ontario for the foreseeable future.

This is not surprising, but I am sure I am not alone in my disappointment. I am hopeful, however, that community transmission will decrease enough during the current Stay At Home order so that we can return to in-person learning sooner rather than later. The province hasn't set a date for return at this time so you can count on hearing from me as we learn more over the next couple of weeks.

I can only imagine how you are all feeling right now. With work of your own you have children at home to support, engage and keep healthy, physically and emotionally while still trying to care for yourselves. Montcrest will continue to support you all, parents, faculty and staff as best we can from afar. Please reach out and let me know what you need. If we can help, we will.

Our faculty and staff are on a break but if you would like to discuss anything or have concerns that you would like to share this week, please reach out to me at 416-262-1180 or at this email.

Thinking of you all.

Take care of yourselves and one another.
erin
