Uniform FAQ

Where do we purchase uniforms?

Top Marks is unable to offer 'in person' fittings during COVID-19. Families will order all clothing online using the sizing guide provided. Orders are shipped via Canada Post to your home. **Please note our school code is MCS01.**

The best guidance is available in the [Top Marks Uniform Guide for Montcrest Families](#).

What does "Dress for your day" mean?

There will be approximately 10 to 15 days of the school year when it will be mandatory for students to wear their '**dress uniform**' ([details are listed below](#)). On all other school days, students will be able to wear any combination of both the dress and gym uniform (i.e. grey dress pants and a hoodie, sweatpants with a polo shirt, etc.). The students will be able to choose the appropriate outfit to match their day's activities and the weather.

Teachers will also have the authority to enact a Dress Uniform Day if they feel it is appropriate (i.e. an important field trip, guest speaker, etc.).

Students will need to wear appropriate athletic clothing for gym days (see gym uniform requirements below).

Can my child(ren) wear gym clothes every day?

Yes. Unless it is one of the Dress Uniform Days.

What about shoes?

Like clothing, we ask that your child(ren) wear appropriate shoes for their day. If they have gym class, a sports game or an athletic club, we ask that they wear athletic shoes. If it is a Dress Uniform Day they must wear their black shoes.

Will there be uniforms for the athletic teams?

Yes. More details to come.

Can athletic teams wear uniforms on game day?

Yes. On a game day students must be in suitable athletic clothing.

Who should I contact with any questions?

Please contact Martha Mansfield (mmansfield@montcrest.ca)
